Petition for Public Cemeteries

The Wave is a non-profit citizens' group formed to champion public causes and rights. The Wave has a membership heavily populated with Assumption Parish citizens. With that said, The Wave has collected signatures of Assumption Parish people who are in support of public cemeteries.

We the undersigned being residents of Assumption Parish, or Belle River St. Martin side with interests in Assumption Parish, or other citizens of other areas having interests or family in the Assumption Parish community do hereby petition the Assumption Parish Police Jury to provide two public cemeteries within the boundaries of Assumption Parish.

Whereby cemeteries in Assumption Parish are currently owned by private church groups or other private parties within the parish,

Whereby churches within the Assumption Parish area are running low on burial plots,

Whereby if a citizen of the parish dies and is not a member of a private church group or other church within Assumption it becomes difficult to find a burial plot

Whereby it is considered a human right to be buried with dignity without having to beg permission of any church groups to be buried

Whereby a human being in these United States of America should not be forced to belong to a church group in order to be buried

We the undersigned people do hereby petition the Assumption Parish Police Jury to build a public cemetery within the Pierre Part or Belle River area and also to build a cemetery within the Napoleonville area so as to provide the public with access to burial sites.
